

SE 6th Avenue Closed for Construction

The Florida Department of Transportation (FDOT) will begin roadway improvements north of the Henry E. Kinney Tunnel along S.E. 6th Avenue during the month of October.

During construction, the project team will close S.E. 6th Avenue from Oct. 11 to Oct. 13 between 9 a.m. and 4 p.m. To access Broward Boulevard, the detour will direct northbound traffic along S.E. 6th Avenue to S.E. 2nd Street

Roadway improvements include:

- *Drill shaft installations*
- *Work will be from 9 a.m. to 4 p.m.*
- *Detours implemented to reduce traffic community impact*

Construction is never an easy time for residents and business owners travelling through, living in or around a construction zone. The project team appreciates your patience and understanding during this difficult time. For more information about this project, please contact:
